

Tim Johnson is an award-winning designer, writer and brand strategist with over 25 years experience creating value for organizations of all types and sizes. He was a principal at Loucks & Johnson, and Manager of Brand Development at SessionsGroup. These two firms are among Houston's oldest and most recognized design agencies. He has owned Brandwave since 2003.

The designs shown herein were designed exclusively by Tim Johnson, or with Tim Johnson in the lead design role. No parts of this publication may be reproduced without permission.
